

What Attendees Are Saying

This course was fun and I learned a lot!

I liked learning about the fake websites and news. I know how to tell what's real now.

The team challenges were a lot of fun.

What Organizations Are Saying

"I highly recommend Cyber Smart Canada's services to others ~ They are amazingly easy to work with and get the job done!"

*Margaret Wake, Youth Worker,
London, Ontario*

We love the sessions offered by Cyber Smart Canada. We invite them back year after year.

*Sandra Chan,
Hamilton Children's Aid Society*

"Cyber Smart Canada's program was great for our kids and our community. They were so easy to work with and helped us with everything from including supplying customized marketing materials for us to use, print & distribute as needed."

*Genny Weinburger
Simcoe Street Public School, Niagara Falls, ON*

What do you get when you mix cyber safety training, with Fortnite, Survivor, and Jumanji?

DIGITAL SURVIVAL TRAINING

Young teens love this screen free workshop full of interactive challenges designed to teach them about cyber safety awareness. Will they win immunity, survive the digital jungle, and earn their certification?

THIS 1/2 DAY CERTIFICATE PROGRAM IS SPECIALLY DESIGNED FOR KIDS AGES 12 - 14 YEARS.

This fun-filled screen free program includes:

- How to safeguard themselves in the digital jungle
- How to protect themselves from online predators
- How to effectively build resiliency even while dealing with cyberbullies
- The legal ramifications they could face by sharing intimate images
- Information to raise self-esteem through media literacy
- How to avoid the digital pest of misinformation

This workshop is perfect for:

**P.A. DAYS
SUMMER CAMPS
MARCH BREAK
CAMPS
