## What Organizations Are Saying

*"I highly recommend Cyber Smart Canada's services to others ~ They are amazingly easy to work with and get the job done!"*

*Margaret Wake, Youth Worker,  
London, Ontario*

*"I am so excited to offer this program again! I love that Cyber Smart was open to small changes to reflect our organization's philosophy."*

*Tanya LaPointe-Harris, Orleans-Cumberland  
Community Resource Centre*

*"Cyber Smart Canada's program was great for our kids and our community. They were so easy to work with and helped us with everything. They even supplied us with customized marketing materials to use, print & distribute as needed."*

*Genny Weinburger  
Simcoe Street Public School, Niagara Falls, ON*

Using our SMART model, we empower kids with a super digital mindset that will help them avoid almost any digital issue (both now and in the future). Each student will receive a certificate for completing the course.

To further support families in keeping their children safe, a 15 minute presentation is offered to parents at the end of the day. Parents of attendees are also gifted a 60 membership to Cyber Smart's Safe & Sane Parent Portal - to get all step by step instructions for parental controls and privacy settings for the most popular platforms kids are using.

**THIS 1/2 DAY CERTIFICATE PROGRAM IS SPECIALLY DESIGNED FOR KIDS AGES 8 - 11 YRS.**

This course includes what every student needs to know about cyber safety including:

- How to safeguard their identity
- How to avoid being a predator's target
- How lurking predators use common apps & game features
- How students can protect their online reputations
- How to deal with cyber-bullying
- Includes a fun and interactive superhero theme
