

# TECH-SAVVY KIDS NEED CYBER SMART FAMILIES

## What Attendees Are Saying

*"This presentation is full of engaging stories and it is very easy to follow. Thank you for providing so much tech information in a way that non-techy people can follow along."*

*Jennifer Frankel, Parent,  
Halifax, Nova Scotia*

*"What I learned in this presentation was priceless! I am now prepared to help my kids with online problems!"*

*Chris Harvey, Parent,  
Hamilton, Ontario*

*"I thought I was being safe online but boy was I wrong! Despite my innocent ignorance, Melanie did not make me feel ignorant but instead provided information to keep myself and my children safe."*

*Jennifer Slay, Social Worker,  
London, Ontario*

*"My favourite part of this presentation was learning what a predator looks for when choosing a child target. I'm on the watch for warning signs in my kids now."*

*Kevin Dryden, Parent,  
Middleton, Nova Scotia*

*"I realized during today's presentation that the risks I take online impacts both me and my kids. The digital risk assessment was a true wakeup call."*

*Karmen Dowling, Parent,  
Strathroy, Ontario*

*"I can now protect my kids from Identity Theft - until today I didn't even know that could be an issue! Thank you Melanie."*

*Lynda Pierce, Parent,  
Brantford, Ontario*

## Our Signature Talk CYBER SMART FAMILIES

Using our SMART method, parents and mentors will be able to guide children in creating a preventative though system that will help them & their kids avoid almost any digital issue or trend (now & in the future)
